

Southern Maryland Food Bank

For 25 years the Southern Maryland Food Bank (SMFB) has been serving the communities of Calvert, Charles and St. Mary's Counties. They service nearly 40 pantries, group homes, and shelters. With the assistance of the SMFB, these sites return to the community to assist more than 10,000 families with food each month.

Public awareness is the most practical solution to getting more people involved in understanding the mission and obstacles of the SMFB. The SMFB needs donations year round, especially in summer months when children cannot take advantage of free or reduced price school lunches.

NSI/Star 98.3 Golf Tournament

Last year, through this golf tournament and auction, we were able to raise \$6,571 that was used by the Southern Maryland Food Bank (SMFB) to purchase over 59,139 pounds of food! Additionally, we were able to collect 700 pounds of non-perishable food items that were also donated to SMFB. Our goal this year is to exceed our past goal by more than \$1,000. We are confident that our community will once again rise to the challenge and put hunger in its place. We thank you for your continued support and hope that you will contribute, once again, to this day of fun for a purpose!
