Performance-Based Statement of Work (SOW)

Support Services to the PMA-209 NAVAIR Foreign Military Sales (FMS) Team

1.0 Introduction – Foreign Military Sales Team (FMS)

The FMS IPT provides case, engineering, financial, logistics and program management support for Foreign Military Sales (FMS) programs from initial inquiries to final case reconciliation and closure. The level of management depends on whether the FMS Case is assigned to another Navy PM activity or another Service. The level of effort depends on whether the FMS program involves a drop shipment, hybrid case (direct commercial sale mixed with FMS), technical assistance to support integration or technical and program management assistance for procurement, installation and/or integration. FMS programs may involve US, as well as foreign manufactured ships, aircraft, submarines, Unmanned Air Vehicles, ground vehicles and ground stations. FMS case management includes all aspects of FMS from pre-Letter of Requests for information to final case closure. FMS requests may be for procurement and support of managed avionics systems, other DOD agency managed systems, out of production systems and/or commercially available equipment. FMS requests also involve developing and supporting engineering change proposals to the systems, software development, configuration management, life cycle logistics and engineering support for procured systems.

2.0 Scope.

This is a Performance-Based, Cost-Plus-Fixed-Fee (CPFF) task order providing support to the full range of FMS cases and programs managed by the FMS IPT. The effort to be provided to this IPT is outlined below and aligned by CLIN for tracking and billing purposes. Specific to FMS, the scope of this effort includes case, engineering, financial, logistics and program management support for successful International Fleet mission executions.

3.0 Requirements.

The Statement of Work for this task order is laid out in paragraph format in CLIN order to facilitate tracking and task identification. Miscellaneous related support tasks, documentation and products should be provided in accordance with the Statement of Work.

3.1 FMS Funding (Cost-Plus-Fixed-Fee) (Items 4000, 4100, 4200, 4300, 7000, and 7100)

The Contractor shall, on an ongoing basis, provide the following:

CONTRACT NO. N00178-05-D-4466	DELIVERY ORDER NO. M805	AMENDMENT/MODIFICATION NO. 19	PAGE 19 of 56	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

(a) Perform data collection and analyses of FMS management procedures. Collect and analyze data pertinent to FMS fiscal procedures and patterns of performance. Collect, compile and analyze project, and cost data for FMS procurements and logistics support for incorporation into team work plans, data calls, and supporting financial documentation.

(b) Perform technical and program management services to support FMS Team managed programs. Contribute to the development, maintenance and update of Program related procurement, system development, and life cycle documents.

(c) Technical services shall be provided to ensure inclusion of FMS requirements relating to managed avionics systems reliability, maintainability, supportability, and availability. Services are, as required, for the specific system or initiative, to provide continuing design engineering support and attend design reviews and similar forums to ensure inclusion of system design requirements throughout the procurement process.

(d) When requested by FMS customers, perform programmatic technical and analytical services to assist with definition of the functional and operator/system interface requirements and specifications for new or modified systems and equipment. As required by the specific avionics system, these services may include a platform analysis and documentation of the requirements for installation, integration and operation of the system within the host platform(s).

(e) Provide programmatic technical assistance to maintain appropriate system software and documentation libraries and to facilitate retrieval. Maintain an automated record of library or database contents reflecting delivered hardware and software versions. Provide technical support to maintain the configuration of systems under development, including both hardware and software configurations.

(f) Support tracking software trouble reports for fielded systems. Analyze Software Trouble Reports (STRs) and resulting technical impacts and review proposed and final fixes.

(g) When required, coordinate with other IPTLs on program support analyses of specified weapon system/subsystem and assess the principal factors impacting the supportability of the system. Quantify the scope and nature of the support required to meet specific operational mission requirements for the customer. Respond to inquiries as necessary to address: (1) Maintenance Planning (2) Technical Data (3) Supply Support (4) Computer Resources (5) Facilities (6) Support and Test Equipment (7) Manpower and Personnel (8) Training and Training Systems, (9) Design Interface and (10) Configuration Management. Assess program planning/management data and documentation to identify supportability problem areas. Recommend methodologies to evaluate the impact of program shortfalls, recommend corrective actions to alleviate support problems.

(h) Assist with development, review, analysis and update of program documentation in response to customer inquiries. Provide recommendations for preparation of Statements of Work (SOW), Statements of Objective (SOO) and Performance Based Supportability Specifications meeting customer requirements.

(i) Provide technical management support in the preparation, coordination, operation, and post evaluation of all program, case initiation and management meetings and reviews. Prepare conference agenda and follow-up minutes documenting results of the meetings and any action items identified.

(j) Perform programmatic support services to include, but not limited to, review and analysis of financial data and products from Information Warehouse, Management Information System International Logistics (MISIL), Defense International Finance System (DIFS) and loading FMS case information data into Defense Security Assistance Management System (DSAMS). Collect, compile and analyze projects, and cost data for FMS aircraft engineering, financial and logistics support for incorporation into team work plans, data calls, and supporting financial documentation. Provide support of Procurement Initiation Documents including status tracking, management procurement schedules, and support documentation.

(k) Provide analysis of mission program requirements; provide technical and acquisition management, engineering, technical, and analytical services for various Outreach efforts to domestic (e.g., other services, PMAs and DOD agencies) and international customers.

(l) Perform program management, system engineering, logistical support and business case analyses of avionics system reliability and obsolescence upgrades. Conduct quantitative and qualitative methodologies to evaluate the impact of system upgrades. Assess and identify the principal factors impacting the implementation of system

upgrades. Recommend actions to correct/alleviate identified system design shortfalls. Assess and recommend improvements to analysis processes.

(m) Provide support of the risk management process for programs specified by the IPTL. This includes identifying problems directly contributing to a risk area and recommending mitigation strategies. Conduct trade studies or prepare technical papers to address program requirements, risks, issues, or plans affecting FMS programs.

(n) Provide programmatic and technical services to assist in the resolution of data calls, fleet operational issues, and FMS customer acquisition and support concerns. Support user conferences, technical reviews and program management meetings. Contribute to and develop training documentation and provide user training as required. Provide systems engineering, test support, and logistic support, including maintaining warranty and repair of repairable data files and induction into the repair chain.

(o) Provide record/files maintenance, prepare briefings, host/conduct meetings to support in the development and management of the PMA-209 FMS program.

(p) Analyze pre-FMS requirements (e.g., requests for information etc.), planning and assessments based on pre-defined planning assumptions for prospective FMS programs. Provide recommendations for Integrated Logistics Planning alternatives and courses of actions to satisfy country requirements. Provide coordination and preparation of draft responses to all Letter of Request (LOR) received by PMA-209 or LORs received by platform PMAs for products under the cognizance of PMA-209. Maintain electronic and paper files of all databases of FMS requests and responses.

(q) Provide research and preparation of draft Pricing and Availability (P&A) responses for PMA-209 products in order to make timely responses to the International Program Office (IPO). Coordinate with the Navy, Air Force and Army Program Offices as required to ensure the FMS customer's need for information is satisfied. Assess prospective FMS customer's requirements and provide recommendations for developing P&A and LOA data for FMS purposes. Review prospective FMS country requests for data and recommend alternatives with substantive data to satisfy country inquiries.

(r) Provide coordination and assistance in the development of the Procurement Initiation Document (PID) and Statements of Work (SOW) to meet Letter of Offer and Acceptance requirements for new procurements and for modifications to existing contracts and programs. Monitor and provide updates to all concerned parties on the status of outstanding requests.

(s) Provide coordination of requests for Foreign Disclosure and export licensing with appropriate agencies (e.g., National Security Agency (NSA), (Global Position System / Joint Program Office) GPS/JPO and AIR-7.4). Provide liaison with Service specific International Program Offices, FMS customers and Original Equipment Manufacturers (OEM)s to facilitate timely completion of all requests. Maintain data file for all policies and incorporate policy changes into IPT processes, procedures and practices.

(t) Provide management support of executed FMS cases including financial management, logistics, acquisition, supply, transportation, maintenance, training, case management, oversight, coordination, case documentation, case amendment or modification case reconciliation, case reporting, etc. Coordinate with OEMs, FMS customers and various PMAs and AIR Codes to ensure timely resolution of problems and maximize customer's satisfaction with products and processes.

(u) Provide support at air-shows, exhibitions, seminars and meetings to present demonstrations and information concerning PMA-209 products and availability to FMS customers.

(v) Perform system engineering analyses of avionics system reliability and obsolescence upgrades. Conduct quantitative and qualitative methodologies to evaluate the impact of system upgrades. Assess and identify the principal factors impacting the implementation of system upgrades. Recommend actions to correct/alleviate identified system design shortfalls. Assess and recommend improvements to analysis processes.

(w) Provide technical services to assist in the resolution of data calls, fleet operational issues, and FMS customer acquisition and support concerns. Support user conferences, technical reviews and program management meetings. Contribute to and develop training documentation and provide user training as required. Provide systems engineering support, including maintaining warranty and repair of repairable data files and induction into the repair chain, and testing support.

----------------------------------	----------------------------	----------------------------------	------------------	-------

(x) Analyze pre-FMS requirements (e.g., requests for information etc.), planning and assessments based on pre-defined planning assumptions for prospective FMS programs. Provide technical coordination and preparation of draft responses to all Letter of Request (LOR) received by PMA-209 or LORs received by platform PMAs for products under the cognizance of PMA-209.

3.2 Other Customer Funds (OCF) (Cost-Plus-Fixed-Fee) (Items 4000, 4100, 4200, 4300, 7000, and 7100)

3.2.1 Procurement

The contractor shall, on an on-going basis, provide the following:

(a) Perform data collection and analyses FMS management procedures. Collect and analyze data pertinent to FMS fiscal procedures and patterns of performance. Provide acquisition support services, to include financial analyses of actual costs for production aircraft integration efforts, logistics support strategies, and training requirements against fiscal/funding constraints. Collect, compile, and analyze project and cost data FMS acquisition, production engineering, and logistics support for incorporation into team work plans, data calls, and supporting financial documentation.

(b) Perform technical and acquisition management services to support the acquisition of FMS Team-managed systems. Contribute to the development, maintenance, and update of Program-related acquisition, production, and life cycle documents.

(c) Provide programmatic technical assistance to maintain appropriate system software and documentation libraries and, to facilitate retrieval, maintain an automated record of library contents. Provide technical assistance to maintain the configuration of systems under development, including system configurations, as required.

(d) Perform programmatic support services, to include analysis of cost data and current burn rates against fiscal/funding constraints. Collect, compile, and analyze project and cost data for FMS aircraft engineering and logistics support for incorporation into team work plans, data calls, and supporting financial documentation. Provide support of Procurement Initiation Documents, including status tracking, management of procurement schedules, and support documentation.

(e) Provide analysis of mission program requirements and provide technical, acquisition management, engineering, and analytical services for various OUTREACH efforts to the Fleet (Type Commanders, (TYCOM), Operational Advisory Group (OAG), Users Conference, etc.), to other NAVAIR PMs, to other Systems Commands (SYSCOMS), and to Joint Services for existing and arising products and capabilities. Provide technical demonstration and acquisition support services to FMS developmental programs. Provide support to the generation of the Core Avionics Master Plan (CAMP), Platform Capability Roadmaps, and FMS Roadmaps to document and plan for future avionics capabilities.

(f) Provide support of the risk management process. This includes identifying problems that directly contribute to a risk area and recommending mitigation strategies. Conduct trade studies or prepare technical papers to address program requirements, risks, issues, or plans.

(g) Provide programmatic and technical services to assist in the resolution of data calls, fleet operational issues, and platform PMA acquisition and support concerns. Support user conferences, technical reviews, and technical and program management meetings.

(h) Provide coordination and assistance in the development of Procurement Initiation Documents (PID) and Statements of Work (SOW) to meet LOA requirements for new procurements and for modifications to existing contracts and programs. Monitor and provide updates to all concerned parties on the status of outstanding requests.

(i) Assist in management and execution of OUTREACH efforts to include, but not limited to, Customer Briefs, Naval Aviation Requirements Group (NARG) process, (Commonality Opportunities Review Process (CORP), CAMP, Science and Technology (S&T), Program Objective Memorandum/Program of Record (POM/PR) process, Demonstration events, and administrative tasks, as required.

3.2.2 RDT&E

3.4 Reserved

3.5 Reserved

3.7 Technical Data (Not Separately Priced) (Items 4040, 4140, 4240, 4340, 7040, and 7140)

All product deliverables and supporting documentation, reports and required data tasks in this Statement of Work shall be delivered in accordance with attached CDRLs. CDRLs consists of a monthly Contractor's Progress, Status and Management Report (CDRL A001) and a Monthly Funds and Man-Hour Expenditure Report (CDRL A002).

3.8 Operations Security Program (OPSEC) (Not Separately Priced) (Item 4050)

An OPSEC plan will be developed and implemented, upon Government approval, in accordance with CDRL B001. Contractor personnel will be subject to a government security investigation and must meet eligibility requirements for access to classified information at the level noted in Attachment J2, DD254. The contractor shall ensure that any new employees, prior to their starting on the tasking, have and maintain a minimum of Department

All employees performing under this task order are required to have a minimum of a SECRET clearance within 30 days after task order award.

3.9 Increased Capacity

3.9.1 Increased Capacity for Labor (Items 4001, 4101, 4201, 4301, 7001, and 7101): These Option CLINs are provided to address an increase to the current estimated ceiling. Increased Capacity Labor support will include the tasking as shown in paragraphs 3.1 and 3.2 and applicable subparagraphs. Increased capacity is subject to the guidance of clause H-1 of this task order.

3.9.2 Increased Capacity for ODCs (Items 6001, 6101, 6201, 6301, 9001, and 9101): These Option CLINs are provided to address an increase to the current estimated ceiling. Increased Capacity ODC support will include the tasking as shown in paragraph 4.0. Increased capacity is subject to the guidance of clause H-1 of this task order.

4.0 Other Direct Costs (Items 6000, 6100, 6200, 6300, 9000, and 9100)

Other Direct Costs (ODCs) are based on a per annum not-to-exceed amount. Approval shall be obtained from the Task Order Manager (TOM) prior to the purchase of any material or travel expenses. All material purchased by the Contractor under this item become the property of the Federal Government. Costs associated with travel and lodging shall be reimbursed in accordance with the Joint Travel Regulations (JTR). The number and types of trips, including the number of personnel traveling, shall be limited to the minimum required to accomplish work requirements and shall be coordinated with the Government Project Manager for each individual task and the TOM.

Other Direct Costs necessary for performance of this contract shall be reimbursed in accordance with NAVAIR clauses 5252.232-9509, "Reimbursement of Travel, Per Diem, and Special Material Costs", and 5252.242-9515, "Restriction on the Direct Charging of Material." Other Direct Costs may include General and Administrative (G&A) expenses, but shall not include profit.

Any material remaining after completion of the contract, the cost of which has been reimbursed by the Government, will remain Government property and disposition instructions will be sought from the Procuring Contracting Officer (PCO).

Contractor personnel for contract performance may require the use of and/or access to Department of Navy Information Technology (IT) Resources. NMCI may include General and Administrative (G&A) expenses, but shall not include profit/fee. All NMCI shall be reimbursed in accordance with NAVSEA Clause H.3 5252.237-9503, "Ordering Procedures for Navy Marine Corps Intranet (NMCI) Services." In the event that NMCI is replaced by another DON IT System, the contractor shall be responsible for its complete implementation and ensure compliance with all NAVAIR guidelines.

7.0 Place of Performance:

The services to be performed herein shall be performed at NAS Patuxent River MD and Contractor Facilities.

8.0 Utilities

Support program and data management via use of NERP, NMCI, E-Power, MS Office products, and other program office software utilities.

9.0 Non-Disclosure Agreements

CONTRACT NO. N00178-05-D-4466	DELIVERY ORDER NO. M805	AMENDMENT/MODIFICATION NO. 19	PAGE 25 of 56	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

In the performance of the task order, the Contractor may have access to non-public proprietary information. The Contractor shall require that any employee performing services under the contract execute a non-disclosure agreement satisfactory to the Task Order Contracting Officer. The non-disclosure agreement shall acknowledge the Contractor and employees' duties with respect to non-public information and promise to comply with those obligations. Copies of the executed non-disclosure agreements shall be provided to the Government.

In addition to complying with the terms and conditions of NAVAIR 5252.209-9510(e)(5) with respect to proprietary data of third parties, and DFARS 252.227-7025 with respect to technical data, the Contractor shall not use, modify, reproduce, release, perform, display, and disclose any non-public information provided to or obtained by the Contractor in the course of performing the task order only for other than Government purposes, and shall not do so for any commercial or personal purpose.

In the event that the Contractor knows of or identifies that it has a commercial interest in the subject matter of any proposed or on-going agreement with respect to the services to be performed under this order, the Contractor shall consider such interest a potential conflict of interest under NAVAIR 5252.209-9510(g) and promptly disclose it to the Contracting Officer.

10.0 Identification Badges

The Contractor shall furnish all requested information required to facilitate issuance of identification badges, as required, and shall conform to all applicable regulations concerning their use and possession. ID media is U.S. Government property and shall be surrendered to the Pass and ID Office upon expiration or termination of employment. The Government will not check out Contractor personnel unless all media, including Common Access Cards (CAC), are returned in accordance with NASPAXRIV Instruction 5510.15.

11.0 Identification of Contractor Personnel

Corporation affiliation shall be referenced on all written documentation that refers to contractor personnel. This is required for internal and external communication. Similarly, the contractor affiliation shall be identified when answering phone calls and at the beginning of any meeting or conference where contractor personnel are in attendance.

12.0 Standards of Quality and Timeliness

The work here shall be performance-based. See Attachment (J5), Quality Assurance Surveillance Plan, for additional information.

C-2 LABOR QUALIFICATIONS KEY: Labor Qualifications were established in the contractor's "PersonnelExperience" narrative. These qualifications are incorporated by reference.

5252.204-9505 SYSTEM AUTHORIZATION ACCESS REQUEST NAVY (SAAR-N) REQUIREMENTS FOR

INFORMATION TECHNOLOGY (IT) (NAVAIR) (JUN 2009)

(a) Contractor personnel assigned to perform work under this contract may require access to Navy Information Technology (IT) resources (e.g., computers, laptops, personal electronic devices/personal digital assistants (PEDs/PDAs), NMCI, RDT&E networks, websites such as MyNAVAIR, and Navy Web servers requiring Common Access Card (CAC) Public Key Infrastructure (PKI)). Contractor personnel (prime, subcontractor, consultants, and temporary employees) requiring access to Navy IT resources (including those personnel who previously signed SAAR DD Form 2875) shall submit a completed System Authorization Access Request Navy (SAAR-N), OPNAV 5239/14 (Jul 2008) form or latest version thereof, and have initiated the requisite background investigation (or provide proof of a current background investigation) prior to accessing any Navy IT resources. Instructions for processing the SAAR-N forms are available at: http://www.navair.navy.mil/index.cfm?fuseaction=home.contractor_forms.

(b) SAAR-N forms will be submitted to the Contracting Officer's Representative (COR) or Alternate COR, or to the government sponsor, if the contract does not name a COR or Alternate COR via the contractor's Facility Security Officer (FSO). If the contract does not have an assigned COR or Alternate COR (ACOR), the designated SAAR-N

Government Sponsor for contractor employees requiring IT access, the PCO shall be responsible for signing and processing the SAAR-N forms. For those contractors that do not have a FSO, SAAR-N forms shall be submitted directly to the COR/ACOR or designated SAAR-N Government Sponsor. Copies of the approved SAAR-N forms may be obtained through the COR/ACOR or designated SAAR-N Government Sponsor. Requests for access should be routed through the NAVAIR_SAAR.fct@navy.mil mailbox.

(c) In order to maintain access to Navy IT resources, the contractor shall ensure completion of initial and annual IA training, monitor expiration of requisite background investigations, and initiate re-investigations as required. If requested, the contractor shall provide to the COR/ACOR or designated SAAR-N Government Sponsor documentation sufficient to prove that it is monitoring/tracking the SAAR-N requirements for its employees who are accessing Navy IT resources. For those contractor personnel not in compliance with the requirements of this clause, access to Navy IT resources will be denied/revoked.

(d) The SAAR-N form remains valid throughout contractual performance, inclusive of performance extensions and option exercises where the contract number does not change. Contractor personnel are required to submit a new SAAR-N form only when they begin work on a new or different contract.

SECTION G CONTRACT ADMINISTRATION DATA

Note: All provisions and clauses of Section G of the basic contract apply to this task order, unless otherwise specified in the task order, in addition to the following:

SEA 5252.216-9122 LEVEL OF EFFORT (DEC 2000)

(a) The Contractor agrees to provide the total level of effort specified in the next sentence in performance of the work described in Sections B and C of this contract. The total level of effort for the performance of this contract shall be / total man-hours of direct labor, including subcontractor direct labor for those subcontractors specifically identified in the Contractor's proposal as having hours included in the proposed level of effort.

(b) Of the total man-hours of direct labor set forth above, it is estimated that man-hours are uncompensated effort. Uncompensated effort is defined as hours provided by personnel in excess of hours per week without additional compensation for such excess work. All other effort is defined as compensated effort. If no effort is indicated in the first sentence of this paragraph, uncompensated effort performed by the Contractor shall not be counted in fulfillment of the level of effort obligations under this contract.

(c) Effort performed in fulfilling the total level of effort obligations specified above shall only include effort performed in direct support of this contract and shall not include time and effort expended on such things as (local travel to and from an employee's usual work location), uncompensated effort while on travel status, truncated lunch periods, work (actual or inferred) at an employee's residence or other non-work locations, or other time and effort which does not have a specific and direct contribution to the tasks described in Sections B and C.

(d) The level of effort for this contract shall be expended at an average rate of approximately hours per week. It is understood and agreed that the rate of man-hours per month may fluctuate in pursuit of the technical objective, provided such fluctuation does not result in the use of the total man-hours of effort prior to the expiration of the term hereof, except as provided in the following paragraph.

(e) If, during the term hereof, the Contractor finds it necessary to accelerate the expenditure of direct labor to such an extent that the total man hours of effort specified above would be used prior to the expiration of the term, the Contractor shall notify the Task Order Contracting Officer in writing setting forth the acceleration required, the probable benefits which would result, and an offer to undertake the acceleration at no increase in the estimated cost or fee together with an offer, setting forth a proposed level of effort, cost breakdown, and proposed fee, for continuation of the work until expiration of the term hereof. The offer shall provide that the work proposed will be subject to the terms and conditions of this contract and any additions or changes required by then current law, regulations, or directives, and that the offer, with a written notice of acceptance by the Task Order Contracting Officer, shall constitute a binding contract. The Contractor shall not accelerate any effort until receipt of such written approval by the Task Order Contracting Officer. Any agreement to accelerate will be formalized by contract modification.

(f) The Task Order Contracting Officer may, by written order, direct the Contractor to accelerate the expenditure of direct labor such that the total man hours of effort specified in paragraph (a) above would be used prior to the expiration of the term. This order shall specify the acceleration required and the resulting revised term. The Contractor shall acknowledge this order within five days of receipt.

(g) If the total level of effort specified in paragraph (a) above is not provided by the Contractor during the period of this contract, the Task Order Contracting Officer, at its sole discretion, shall either (i) reduce the fee of this contract as follows:

Fee Reduction = Fee (Required LOE Expended LOE)/Required LOE or (ii) subject to the provisions of the clause of this contract entitled "LIMITATION OF COST" (FAR 52.232-20) or "LIMITATION OF COST (FACILITIES)" (FAR 52.232-21), as applicable, require the Contractor to continue to perform the work until the total number of man hours of direct labor specified in paragraph (a) above shall have been expended, at no increase in the fee of this contract.

(h) The Contractor shall provide and maintain an accounting system, acceptable to the Administrative Contracting Officer and the Defense Contract Audit Agency (DCAA), which collects costs incurred and effort (compensated and uncompensated, if any) provided in fulfillment of the level of effort obligations of this contract. The Contractor shall

----------------------------------	----------------------------	----------------------------------	------------------	-------

indicate on each invoice the total level of effort claimed during the period covered by the invoice, separately identifying compensated effort and uncompensated effort, if any.

(i) Within 45 days after completion of the work under each separately identified period of performance hereunder, the Contractor shall submit the following information in writing to the Task Order Contracting Officer with copies to the cognizant Contract Administration Office and to the DCAA office to which vouchers are submitted: (1) the total number of man hours of direct labor expended during the applicable period; (2) a breakdown of this total showing the number of man hours expended in each direct labor classification and associated direct and indirect costs; (3) a breakdown of other costs incurred; and (4) the Contractor's estimate of the total allowable cost incurred under the contract for the period. Within 45 days after completion of the work under the contract, the Contractor shall submit, in addition, in the case of a cost underrun; (5) the amount by which the estimated cost of this contract may be reduced to recover excess funds and, in the case of an underrun in hours specified as the total level of effort; and (6) a calculation of the appropriate fee reduction in accordance with this clause. All submissions shall include subcontractor information.

(j) Unless the Contracting Officer determines that alternative worksite arrangements are detrimental to contract performance, the Contractor may perform up to 10% of the hours at an alternative worksite, provided the Contractor has a company-approved alternative worksite plan. The primary worksite is the traditional "main office" worksite. An alternative worksite means an employee's residence or a telecommuting center. A telecommuting center is a geographically convenient office setting as an alternative to an employee's main office. The Government reserves the right to review the Contractor's alternative worksite plan. In the event performance becomes unacceptable, the Contractor will be prohibited from counting the hours performed at the alternative worksite in fulfilling the total level of effort obligations of the contract. Regardless of the work location, all contract terms and conditions, including security requirements and labor laws, remain in effect. The Government shall not incur any additional cost nor provide additional equipment for contract performance as a result of the Contractor's election to implement an alternative worksite plan.*

(k) Notwithstanding any of the provisions in the above paragraphs, the Contractor may furnish man hours up to five percent in excess of the total man hours specified in paragraph (a) above, provided that the additional effort is furnished within the term hereof, and provided further that no increase in the estimated cost or fee is required.

*NOTE: The Contracting Officer referred to in paragraph (j) is the Task Order Contracting Officer.

HQ B-2-0015 PAYMENTS OF FEE(S) (LEVEL OF EFFORT)(NAVSEA)(MAY 1993)

(a) For purposes of this contract, "fee" means "target fee" in cost-plus-incentive fee type contracts, "base fee" in cost-plus-award-fee type contracts, "fixed-fee" in cost-plus-fixed-fee type contracts for level of effort type contracts.

(b) The Government shall make payments to the Contractor, subject to and in accordance with the clause in this contract entitled "FIXED FEE" (FAR 52.216-8) or "INCENTIVE FEE" (FAR 52.216-10), as applicable. Such payments shall be equal to percent () of the allowable cost of each invoice submitted by and payable to the Contractor pursuant to the clause of this contract entitled "ALLOWABLE COST AND PAYMENT" (FAR 52.216-7), subject to the withholding terms and conditions of the "FIXED FEE" or "INCENTIVE FEE" clause, as applicable (percentage of fee is based on fee dollars divided by estimated cost dollars, including facilities capital cost of money). Total fee(s) paid to the Contractor shall not exceed the fee amount(s) set forth in this contract.

(c) The fee(s) specified in SECTION B, and payment thereof, is subject to adjustment pursuant to paragraph (g) of the special contract requirement entitled "LEVEL OF EFFORT." If the fee(s) is reduced and the reduced fee(s) is less than the sum of all fee payments made to the Contractor under this contract, the Contractor shall repay the excess amount to the Government. If the final adjusted fee exceeds all payments made to the Contractor under this contract, the Contractor shall be paid the additional amount, subject to the availability of funds. In no event shall the Government be required to pay the Contractor any amount in excess of the funds obligated under this contract at the time of the discontinuance of work.

(d) Fee(s) withheld pursuant to the terms and conditions of this contract shall not be paid until the contract has been modified to reduce the fee(s) in accordance with the "LEVEL OF EFFORT" special contract requirement, or until the Procuring Contracting Officer has advised the paying office in writing that no fee adjustment is required.

(a) This contract is incrementally funded with respect to both cost and fee. The amount(s) presently available and allotted to this contract for payment of fee for incrementally funded contract line item numbers/contract subline item numbers (CLINs/SLINs), subject to the clause entitled "FIXED FEE" (FAR 52.216-8) or "INCENTIVE FEE" (FAR 52.216-10), as appropriate, is specified below. The amount(s) presently available and allotted to this contract for payment of cost for incrementally funded CLINs/SLINs is set forth below. As provided in the clause of this contract entitled "LIMITATION OF FUNDS" (FAR 52.232-22), the CLINs/SLINs covered thereby, and the period of performance for which it is estimated the allotted amount(s) will cover are as follows:

* SEE ATTACHMENT J4, TASK ORDER CEILING SPREADSHEET.

(b) The parties contemplate that the Government will allot additional amounts to this contract from time to time for the incrementally funded CLINs/SLINs by unilateral contract modification, and any such modification shall state separately the amount(s) allotted for cost, the amount(s) allotted for fee, the CLINs/SLINs covered thereby, and the period of performance which the amount(s) are expected to cover.

(c) CLINs/SLINs [] are fully funded and performance under these CLINs/SLINs is subject to the clause of this contract entitled "LIMITATION OF COST" (FAR 52.232-20).

(d) The Contractor shall segregate costs for performance of incrementally funded CLINs/SLINs from the costs of performance of fully funded CLINs/SLINs.

FUNDING PROFILE

It is estimated that these incremental funds will provide for hours. The following details funding to date:

* SEE ATTACHMENT J4, TASK ORDER CEILING SPREADSHEET.

(End of Clause)

5252.232-9511 NOTICE OF REQUIREMENTS FOR PROMPT PAYMENT (NAVAIR) (MAR 2006)

The Government anticipates that this contract will be distributed to Defense Finance and Accounting Service (DFAS) by the DoD Electronic Document Access (EDA) system. DFAS is responsible for payment of contractor invoices.

(a) In accordance with FAR Clause 52.232-33 "Payment by Electronic Funds Transfer - Central Contractor Registration," the contractor is responsible for providing updated information to the Central Contractor Register (CCR) database. Additionally, the contractor is responsible for maintaining its active status in the CCR database.

(b) If the DUNS, CAGE code, TIN or address set forth in the contract do not match the information in the CCR, then DFAS will return invoices without payment. Therefore, it is imperative that the contractor ensure the DUNS, CAGE code, TIN and contractor address on the contract are accurate and in compliance with the CCR database. Additionally, any changes/updates made to the CCR database should be communicated to the Contracting Officer for the purpose of modifying the contract to reflect the new data.

HQ G-2-0007 INVOICE INSTRUCTIONS (NAVSEA) (JAN 2008)

(a) In accordance with the clause of this contract entitled "ELECTRONIC SUBMISSION OF PAYMENT REQUESTS AND RECEIVING REPORTS" (DFARS 252.232-7003), the Naval Sea Systems Command (NAVSEA) will utilize the DoD Wide Area Workflow Receipt and Acceptance (WAWF) system to accept supplies/services delivered under this contract. This web-based system located at <https://lwawf.eb.mil> provides the technology for government contractors and authorized Department of Defense (DoD) personnel to generate, capture and process receipt and payment-related documentation in a paperless environment. Invoices for supplies/services rendered under this contract shall be submitted electronically through WAWF. Submission of hard copy DD250/invoices may no longer be accepted for payment.

(b) It is recommended that the person in your company designated as the Central Contractor Registration (CCR)

Electronic Business (EB) Point of Contact and anyone responsible for the submission of invoices, use the online training system for WAWF at <http://wawftraining.com>. The Vendor, Group Administrator (GAM), and sections marked with an asterisk in the training system should be reviewed. Vendor Quick Reference Guides also are available at <http://acquisition.navy.mil/navyaos/content/view/full/35211>. The most useful guides are "Getting Started for Vendors" and "WAWF Vendor Guide".

(c) The designated CCR EB point of contact is responsible for activating the company's CAGE code on WAWF by calling 1-866-618-5988. Once the company is activated, the CCR EB point of contact will self-register under the company's CAGE code on WAWF and follow the instructions for a group administrator. After the company is set-up on WAWF, any additional persons responsible for submitting invoices must self-register under the company's CAGE code at <https://wawf.eb.mil>.

(d) The contractor shall use the following document types, DODAAC codes and inspection and acceptance locations when submitting invoices in WAWF:

Type of Document (contracting officer check all that apply):

- ☐ Invoice (FFP Supply & Service)
- ☐ Invoice and Receiving Report Combo (FFP Supply)
- ☐ Invoice as 2-in-1 (FFP Service Only)

Attachments created in any Microsoft Office product may be attached to the WAWF invoice, e.g., backup documentation, timesheets, etc. Maximum limit for size of each file is 2 megabytes. Maximum limit for size of files per invoice is 5 megabytes.

(e) Before closing out of an invoice session in WAWF, but after submitting the document(s), you will be prompted to send additional email notifications. Click on "Send More Email Notification" and add the acceptor/receiver email addresses noted below in the first email address block, and add any other additional email addresses desired in the following blocks. This additional notification to the government is important to ensure that the acceptor/receiver is

aware that the invoice documents have been submitted into WAWF.

Send Additional Email Notification To: james.lumpkins@navy.mil

(f) The contractor shall submit invoices/cost vouchers for payment per contract terms and the government shall process invoices/cost vouchers for payment per contract terms. Contractors approved by DCAA for direct billing will submit cost vouchers directly to DFAS via WAWF. Final voucher submission will be approved by the ACO.

(g) The WAWF system has not yet been implemented on some Navy programs; therefore, upon written concurrence from the cognizant Procuring Contracting Officer, the Contractor is authorized to use DFAS's WInS for electronic end to end invoicing until the functionality of WInS has been incorporated into WAWF.

(h) If you have any questions regarding WAWF, please contact the WAWF helpdesk at the above 1-866 number or the WAWF point of contact.

TASK ORDER MANAGER (TOM) APPOINTMENT

(a) The Task Order Contracting Officer hereby appoints the following individual as the Task Order manager (TOM) for this task order:

James D. Lumpkins
47123 Buse Road, Building 2272
Patuxent River, MD 20670
E-mail: james.lumpkins@navy.mil
Phone: (301) 757-6710

(b) The TOM is responsible for those specific functions assigned in the Task Order Manager appointment letter (Attachment J3) and the Quality Assurance Surveillance Plan (Attachment J5).

(c) Only the Task Order Contracting Officer has the authority to modify the terms of the task order. Therefore, in no event will any understanding, agreement, modification, change order, or other matter deviating from the terms of the basic contract or this task order between the contractor and any other person be effective or binding on the Government. If, in the opinion of the contractor, an effort outside the existing scope of this task order is requested, the contractor shall promptly notify the Task Order Contracting Officer in writing. No action shall be taken by the contractor unless the Task Order Contracting Officer, PCO or ACO has issued a formal modification.

Note: For purposes of this task order, the term "Task Order Manager" is considered synonymous with the term "Contracting Officer's Representative."

SECTION H SPECIAL CONTRACT REQUIREMENTS

H-1 OPTION TO INCREASE CAPACITY WITHIN PERIOD OF PERFORMANCE

- (a) The contract includes an option, per each contract term, for an increase in capacity not to exceed 1 percent of the total dollars of the Labor and ODC CLINs within the respective term. This option may be exercised at the Government's discretion, if the Government determines a need for an increase in the level of effort, to be provided by the contractor, due to increased program in-scope requirements.
- (b) The use of this option does not provide an extension to the length of time of the current term, nor shall the entire contract exceed 5 years in duration.
- (c) The Government may exercise an option for increased capacity within the period of performance without obligation to exercise succeeding year option(s).
- (d) The exercise of an option for increased capacity within the period of performance may be accomplished at any time during contract performance, but not later than thirty (30) calendar days prior to the expiration of the task order.
- (e) The Government will be required to give the contractor a preliminary written notice of its intent to exercise the option for increased capacity within the period of performance. The Contractor shall be required to use the same hourly rates or Department of Labor hourly rates established for the current term and shall not exceed the provided by the exercise of any option.
- (f) An increased capacity option CLIN cannot exceed 10% of the CLIN it supports during the current term. If the Contractor anticipates acceleration of effort, greater than 10% during the current term, the Contractor shall provide notice in accordance with clause SEA 5252.216-9122 "Level of Effort", (Dec 2000) of the contract.

5252.209-9510 ORGANIZATIONAL CONFLICTS OF INTEREST (NAVAIR) (SERVICES)(MAR 2007)

- (a) Purpose. This clause seeks to ensure that the contractor (1) does not obtain an unfair competitive advantage over other parties by virtue of its performance of this contract, and (2) is not biased because of its current or planned interests (financial, contractual, organizational or otherwise) that relate to the work under this contract.
- (b) Scope. The restrictions described herein shall apply to performance or participation by the contractor (as defined in paragraph (d)(7)) in the activities covered by this clause.
 - (1) The restrictions set forth in paragraph (e) apply to supplies, services, and other performance rendered with respect to the suppliers and/or equipment listed in Attachment J1. The task order will specify to which suppliers and/or equipment subparagraph (f) restrictions apply.
 - (2) The financial, contractual, organizational and other interests of contractor personnel performing work under this contract shall be deemed to be the interests of the contractor for the purposes of determining the existence of an Organizational Conflict of Interest. Any subcontractor that performs any work relative to this contract shall be subject to this clause. The contractor agrees to place in each subcontract affected by these provisions the necessary language contained in this clause.
 - (c) Waiver. Any request for waiver of the provisions of this clause shall be submitted in writing to the Procuring Contracting Officer. The request for waiver shall set forth all relevant factors including proposed contractual safeguards or job procedures to mitigate conflicting roles that might produce an Organizational Conflict of Interest. No waiver shall be granted by the Government with respect to prohibitions pursuant to access to proprietary data.
 - (d) Definitions. For purposes of application of this clause only, the following definitions are applicable:
 - (1) "System" includes system, major component, subassembly or subsystem, project, or item.
 - (2) "Nondevelopmental items" as defined in FAR 2.101.
 - (3) "Systems Engineering" (SE) includes, but is not limited to, the activities in FAR 9.505-1(b).

CONTRACT NO. N00178-05-D-4466	DELIVERY ORDER NO. M805	AMENDMENT/MODIFICATION NO. 19	PAGE 50 of 56	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

(4) "Technical direction" (TD) includes, but is not limited to, the activities in FAR 9.505-1(b).

(5) "Advisory and Assistance Services" (AAS) as defined in FAR 2.101.

(6) "Consultant services" as defined in FAR 31.205-33(a).

(7) "Contractor", for the purposes of this clause, means the firm signing this contract, its subsidiaries and affiliates, joint ventures involving the firm, any entity with which the firm may hereafter merge or affiliate, and any other successor or assignee of the firm.

(8) "Affiliates," means officers or employees of the prime contractor and first tier subcontractors involved in the program and technical decision-making process concerning this contract.

(9) "Interest" means organizational or financial interest.

(10) "Weapons system supplier" means any prime contractor or first tier subcontractor engaged in, or having a known prospective interest in the development, production or analysis of any of the weapon systems, as well as any major component or subassembly of such system.

(e) Contracting restrictions.

[x] (1) To the extent the contractor provides systems engineering and/or technical direction for a system or commodity but does not have overall contractual responsibility for the development, the integration, assembly and checkout (IAC) or the production of the system, the contractor shall not (i) be awarded a contract to supply the system or any of its major components or (ii) be a subcontractor or consultant to a supplier of the system or of its major components. The contractor agrees that it will not supply to the Department of Defense (either as a prime contractor or as a subcontractor) or act as consultant to a supplier of, any system, subsystem, or major component utilized for or in connection with any item or other matter that is (directly or indirectly) the subject of the systems engineering and/or technical direction or other services performed under this contract for a period of 3 years after the date of completion of the contract. (FAR 9.505-1(a))

[x] (2) To the extent the contractor prepares and furnishes complete specifications covering nondevelopmental items to be used in a competitive acquisition, the contractor shall not be allowed to furnish these items either as a prime contractor or subcontractor. This rule applies to the initial production contract, for such items plus a specified time period or event. The contractor agrees to prepare complete specifications covering non-developmental items to be used in competitive acquisitions, and the contractor agrees not to be a supplier to the Department of Defense, subcontract supplier, or a consultant to a supplier of any system or subsystem for which complete specifications were prepared hereunder. The prohibition relative to being a supplier, a subcontract supplier, or a consultant to a supplier of these systems of their subsystems extends for a period of 3 years after the terms of this contract. (FAR 9.505-2(a)(1))

[x] (3) To the extent the contractor prepares or assists in preparing a statement of work to be used in competitively acquiring a system or services or provides material leading directly, predictably and without delay to such a work statement, the contractor may not supply the system, major components thereof or the services unless the contractor is the sole source, or a participant in the design or development work, or more than one contractor has been involved in preparation of the work statement. The contractor agrees to prepare, support the preparation of or provide material leading directly, predictably and without delay to a work statement to be used in competitive acquisitions, and the contractor agrees not to be a supplier or consultant to a supplier of any services, systems or subsystems for which the contractor participated in preparing the work statement. The prohibition relative to being a supplier, a subcontract supplier, or a consultant to a supplier of any services, systems or subsystems extends for a period of 3 years after the terms of this contract. (FAR 9.505-2(b)(1))

[x] (4) To the extent work to be performed under this contract requires evaluation of offers for products or services, a contract will not be awarded to a contractor that will evaluate its own offers for products or services, or those of a competitor, without proper safeguards to ensure objectivity to protect the Government's interests. Contractor agrees to the terms and conditions set forth in the Statement of Work that are established to ensure objectivity to protect the Government's interests. (FAR 9.505-3)

[x] (5) To the extent work to be performed under this contract requires access to proprietary data of other companies, the contractor must enter into agreements with such other companies which set forth procedures deemed adequate by

CONTRACT NO. N00178-05-D-4466	DELIVERY ORDER NO. M805	AMENDMENT/MODIFICATION NO. 19	PAGE 51 of 56	FINAL

those companies (i) to protect such data from unauthorized use or disclosure so long as it remains proprietary and (ii) to refrain from using the information for any other purpose other than that for which it was furnished. Evidence of such agreement(s) must be made available to the Procuring Contracting Officer upon request. The contractor shall restrict access to proprietary information to the minimum number of employees necessary for performance of this contract. Further, the contractor agrees that it will not utilize proprietary data obtained from such other companies in preparing proposals (solicited or unsolicited) to perform additional services or studies for the United States Government. The contractor agrees to execute agreements with companies furnishing proprietary data in connection with work performed under this contract, obligating the contractor to protect such data from unauthorized use or disclosure so long as such data remains proprietary, and to furnish copies of such agreement to the Contracting Officer. Contractor further agrees that such proprietary data shall not be used in performing for the Department of Defense additional work in the same field as work performed under this contract if such additional work is procured competitively. (FAR 9.505)

[x] (6) Preparation of Statements of Work or Specifications. If the contractor under this contract assists substantially in the preparation of a statement of work or specifications, the contractor shall be ineligible to perform or participate in any capacity in any contractual effort (solicited or unsolicited) that is based on such statement of work or specifications. The contractor shall not incorporate its products or services in such statement of work or specifications unless so directed in writing by the Contracting Officer, in which case the restrictions in this subparagraph shall not apply. Contractor agrees that it will not supply to the Department of Defense (either as a prime contractor or as a subcontractor) or act as consultant to a supplier of, any system, subsystem or major component utilized for or in connection with any item or work statement prepared or other services performed or materials delivered under this contract, and is procured on a competitive basis, by the Department of Defense with 3 years after completion of work under this contract. The provisions of this clause shall not apply to any system, subsystem, or major component for which the contractor is the sole source of supply or which it participated in designing or developing. (FAR 9.505-4(b))

[x] (7) Advisory and Assistance Services (AAS). If the contractor provides AAS services as defined in paragraph (d) of this clause, it shall be ineligible thereafter to participate in any capacity in Government contractual efforts (solicited or unsolicited) which stem directly from such work, and the contractor agrees not to perform similar work for prospective offerors with respect to any such contractual efforts. Furthermore, unless so directed in writing by the Contracting Officer, the contractor shall not perform any such work under this contract on any of its products or services, or the products or services of another firm for which the contractor performs similar work. Nothing in this subparagraph shall preclude the contractor from competing for follow-on contracts for AAS. (f) Remedies. In the event the contractor fails to comply with the provisions of this clause, such noncompliance shall be deemed a material breach of the provisions of this contract. If such noncompliance is the result of conflicting financial interest involving contractor personnel performing work under this contract, the Government may require the contractor to remove such personnel from performance of work under this contract. Further, the Government may elect to exercise its right to terminate for default in the event of such noncompliance. Nothing herein shall prevent the Government from electing any other appropriate remedies afforded by other provisions of this contract, or statute or regulation.

(g) Disclosure of Potential Conflicts of Interest. The contractor recognizes that during the term of this contract, conditions may change which may give rise to the appearance of a new conflict of interest. In such an event, the contractor shall disclose to the Government information concerning the new conflict of interest. The contractor shall provide, as a minimum, the following information:

- (1) a description of the new conflict of interest (e.g., additional weapons systems supplier(s), corporate restructuring, new first-tier subcontractor(s), new contract) and identity of parties involved;
- (2) a description of the work to be performed;
- (3) the dollar amount;
- (4) the period of performance; and
- (5) a description of the contractor's internal controls and planned actions, to avoid any potential organizational conflict of interest.

5252.211-9502 GOVERNMENT INSTALLATION WORK SCHEDULE (NAVAIR) (OCT 2005)

(a) The Holidays applicable to this contract are: New Year's Day, Martin Luther King's Birthday, President's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day, and Christmas Day.

(b) In the event that the contractor is prevented from performance as the result of an Executive Order or an administrative leave determination that applies to the using activity, such time may be charged to the contract as a direct cost provided such charges are consistent with the contractor's accounting practices. In the event that any of the above holidays occur on a Saturday or Sunday, then such holiday shall be observed as they are by the assigned Government employees at the using activity.

5252.227-9512 TRADEMARK MANUFACTURE/USE LICENSE AGREEMENT (NAVAIR) (MAR 2007)

(a) The Naval Air Systems Command (NAVAIR) is the owner of all right, title, and interest within the United States of America in and to the trademark set forth below.

TM

(b) NAVAIR hereby grants a nonexclusive and nontransferable license to make, manufacture or produce the trademark in connection with all activities relating to the manufacture, production, distribution and packaging of the products and services identified under this contract. The contractor shall insure the designation "TM" in superscript format is placed adjacent to the trademark in connection with each use or display thereof.

(c) The contractor shall adhere to the technical specifications of the trademark as shown in the NAVAIR style guide which can be found at: <https://mynavair.navair.navy.mil/>

(d) The contractor shall not use the trademark in any inappropriate or offensive manner or in any manner that could disparage the United States military services. Additionally, the trademark may not be placed in an area that would be construed as offensive.

(e) Items to be delivered under this contract that bear the trademark shall be of the quality specified in the contract. The quality of any other item bearing the trademark shall adhere to the standards of quality for such items.

(f) Exercise of any of the rights granted under this clause shall not entitle the contractor to: a) any modification(s) to the terms and conditions, including price, of this contract; b) any claim(s) against the government; and/or c) any request(s) for equitable adjustment. If the contractor believes it is entitled to any such or similar relief, the contractor shall, prior to exercise of any of the rights granted under this clause, provide written notification to the contracting officer detailing the relief requested and identifying the basis for such relief with supporting rationale. The contractor shall not thereafter exercise any of the rights granted under this clause until the contracting officer provides a response to the contractor's written notification.

5252.232-9509 REIMBURSEMENT OF TRAVEL, PER DIEM, AND SPECIAL MATERIAL COSTS (NAVAIR) (OCT 2006)

(a) Area of Travel. Performance under this contract may require travel by contractor personnel. If travel, domestic or overseas, is required, the contractor is responsible for making all necessary arrangements for its personnel. These include but are not limited to: medical examinations, immunizations, passports/visas/etc., and security clearances. All contractor personnel required to perform work on any U.S. Navy vessel shall obtain boarding authorization from the Commanding Officer of the vessel before boarding.

CONTRACT NO. N00178-05-D-4466	DELIVERY ORDER NO. M805	AMENDMENT/MODIFICATION NO. 19	PAGE 53 of 56	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

(b) Travel Policy. The Government will reimburse the contractor for allowable travel costs incurred by the contractor in performance of the contract in accordance with FAR Subpart 31.2. Travel required for tasks assigned under this contract shall be governed in accordance with: Federal Travel Regulations, prescribed by the General Services Administration for travel in the conterminous 48 United States, (hereinafter the FTR); Joint Travel Regulation, Volume 2, DoD Civilian Personnel, Appendix A, prescribed by the Department of Defense, for travel in Alaska, Hawaii, The Commonwealth of Puerto Rico, and territories and possessions of the United States (hereinafter JTR); and Standardized Regulations (Government Civilians, Foreign Areas), Section 925, "Maximum Travel Per Diem Allowances for Foreign Areas," prescribed by the Department of State, for travel in areas not covered in the FTR or JTR (hereinafter the SR).

(c) Travel. Travel and subsistence are authorized for travel beyond a fifty-mile radius of the contractor's office whenever a task assignment requires work to be accomplished at a temporary alternate worksite. No travel or subsistence shall be charged for work performed within a fifty-mile radius of the contractor's office. The contractor shall not be paid for travel or subsistence for contractor personnel who reside in the metropolitan area in which the tasks are being performed. Travel performed for personal convenience, in conjunction with personal recreation, or daily travel to and from work at the contractor's facility will not be reimbursed.

(1) For travel costs other than described in paragraph (c) above, the contractor shall be paid on the basis of actual amount paid to the extent that such travel is necessary for the performance of services under the contract and is authorized by the COR in writing.

(2) When transportation by privately owned conveyance is authorized, the contractor shall be paid on a mileage basis not to exceed the applicable Government transportation rate as contained in the FTR, JTR or SR. Authorization for the use of privately owned conveyance shall be indicated in the basic contract. Distances traveled between points shall be shown on invoices as listed in standard highway mileage guides. Reimbursement will not exceed the mileage shown in the standard highway mileage guides.

(3) The contractor agrees, in the performance of necessary travel, to use the lowest cost mode commensurate with the requirements of the mission as set forth in the basic contract and in accordance with good traffic management principles. When it is necessary to use air or rail travel, the contractor agrees to use coach, tourist class, or similar accommodations to the extent consistent with the successful and economical accomplishment of the mission for which the travel is being performed.

(4) The contractor's invoices shall include receipts or other evidence substantiating actual costs incurred for authorized travel. In no event will such payments exceed the rates of common carriers.

(d) Vehicle and/or Truck Rentals. The contractor shall be reimbursed for actual rental/lease of special vehicles and/or trucks (i.e., of a type not normally used by the contractor in the conduct of its business) only if authorized in the basic contract or upon approval by the COR. Reimbursement of such rental shall be made based on actual amounts paid by the contractor. Use of rental/lease costs of vehicles and/or trucks that are of a type normally used by the contractor in the conduct of its business are not subject to reimbursement.

(e) Car Rental. The contractor shall be reimbursed for car rental, exclusive of mileage charges, as authorized in the basic contract or upon approval by the COR, when the services are required to be performed beyond the normal commuting distance from the contractor's facilities. Car rental for a team on TDY at one site will be allowed for a minimum of four (4) persons per car, provided that such number or greater comprise the TDY team.

(f) Per Diem. The contractor shall not be paid for per diem for contractor personnel who reside in the metropolitan areas in which the tasks are being performed. Per Diem shall not be paid on services performed within a fifty-mile radius of the contractor's home office or the contractor's local office. Per Diem is authorized for contractor personnel beyond a fifty-mile radius of the contractor's home or local offices whenever a task assigned requires work to be done at a temporary alternate worksite. Per Diem shall be paid to the contractor only to the extent that overnight stay is necessary and authorized under this contract. The authorized per diem rate shall be the same as the prevailing per diem in the worksite locality. These rates will be based on rates contained in the FTR, JTR or SR. The applicable rate is authorized at a flat seventy-five (75%) percent on the day of departure from contractor's home or local office, and on the day of return. Reimbursement to the contractor for per diem shall be limited to actual payments to per diem defined herein. The contractor shall provide actual payments of per diem defined herein. The contractor shall provide supporting documentation for per diem expenses as evidence of actual payment.

----------------------------------	----------------------------	----------------------------------	------------------	-------

(g) Shipboard Stays. Whenever work assignments require temporary duty aboard a Government ship, the contractor will be reimbursed at the per diem rates identified in paragraph C8101.2C or C81181.3B(6) of the Department of Defense Joint Travel Regulations, Volume II.

(h) Special Material. "Special material" includes only the costs of material, supplies, or services which is peculiar to the ordered data and which is not suitable for use in the course of the contractor's normal business. It shall be furnished pursuant to specific authorization approved by the COR. The contractor will be required to support all material costs claimed by its costs less any applicable discounts. "Special materials" include, but are not limited to, graphic reproduction expenses, or technical illustrative or design requirements needing special processing.

5252.242-9515 RESTRICTION ON THE DIRECT CHARGING OF MATERIAL (NAVAIR) (JUL 1998)

(a) The term "material" includes supplies, materials, parts, equipment, hardware, and Information Technology (IT) resources including equipment, services and software. This is a service contract and the procurement of material of any kind that are not incidental to and necessary for contract performance may be determined to be unallowable costs pursuant to FAR Part 31. No materials may be acquired under the contract without the prior written authorization of the Contracting Officer's Representative (COR). IT resources may not be procured under the material line item of this contract unless the approvals required by Department of Defense purchasing procedures have been obtained. Any material provided by the contractor is subject to the requirements of the Federal Acquisition Regulation (FAR), the Defense Federal Acquisition Regulation Supplement (DFARS), and applicable Department of the Navy regulations and instructions.

(b) Prior written approval of the COR shall be required for all purchases of materials. If the contractor's proposal submitted for a task order includes a list of materials with associated prices, then the COR's acceptance of the contractor's proposal shall constitute written approval of those purchases.

(c) The costs of general purpose business expenses required for the conduct of the contractor's normal business operations will not be considered an allowable direct cost in the performance of this contract. General purpose business expenses include, but are not limited to, the cost for items such as telephones and telephone charges, reproduction machines, word processing equipment, personal computers and other office equipment and office supplies.

POST AWARD CONFERENCE

A post award conference may be held as specified in the basic contract. If held, the Government will notify the contractor of the time and location after the award of the task order. The task order post award conference will establish work level points of contact for the task order, determine the task order administration strategy, roles and responsibilities, and ensure prompt payment and task order close out.

SECTION I CONTRACT CLAUSES

Note: All provisions and clauses of Section I of the basic contract apply to this task order, unless otherwise specified in the task order, in addition to the following:

FAR 52.217-9 -- OPTION TO EXTEND THE TERM OF THE CONTRACT (MAR 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within 30 days prior to completion of the base period; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed five years.

5252.204-9502 REQUIREMENTS FOR LOCAL SECURITY SYSTEM (NAVAIR) (OCT 2005)

The contractor agrees to provide locator information regarding all employees requiring a permanent badge for authorized entrance to the Naval Air Station, Patuxent River, MD. Entrance is authorized by this contract as a result of tasks associated with performance of the Section C - Statement of Work only. Initial information shall be provided as each individual is assigned to this contract by using the Locator Form provided as an attachment to this contract. Thereafter, quarterly reports (due at the beginning of each quarter by the fifth day of the month) will be provided with gains/losses (identification of new and replaced or added individuals) and any changes to current personnel (such as telephone number, building number and room number). A point of contact is to be named on each quarterly report for any questions/additional information needed by the Government recipient. The quarterly reports are to be addressed to:

Name: James D. Lumpkins
E-mail: james.lumpkins@navy.mil
Activity: Naval Air Systems Command
Address: 47123 Buse Rd, Bldg. 2272
Patuxent River, MD 20670-1547
Telephone: (301) 757-6710

All losses are to have the permanent badges returned to Security Officer, Naval Air Station, Patuxent River, MD on the last day of the individual's task requirement.

5252.204-9504 DISCLOSURE OF CONTRACT INFORMATION (NAVAIR) (JAN 2007)

(a) The Contractor shall not release to anyone outside the Contractor's organization any unclassified information (e.g., announcement of contract award), regardless of medium (e.g., film, tape, document), pertaining to any part of this contract or any program related to this contract, unless the Contracting Officer has given prior written approval.

(b) Requests for approval shall identify the specific information to be released, the medium to be used, and the purpose for the release. The Contractor shall submit its request to the Contracting Officer at least ten (10) days before the proposed date for release.

(c) The Contractor agrees to include a similar requirement in each subcontract under this contract. Subcontractors shall submit requests for authorization to release through the prime contractor to the Contracting Officer.
